R-L 1. Meeting room from entry. 2. Eat-in area adjacent to kitchen. 3. Kitchen Island. 4. Meeting room from kitchen entrance to fireplace. 5. Meeting Room from stairwell looking to entry.

The quiet country atmosphere provides a relaxed setting for nearly every type of event from weddings to corporate events. Our meeting room can easily handle four (4) eight foot banquet tables that seat 8 persons each. The large kitchen is fully functional with large center island and has an attached eating area which holds another banquet table. Seating can be configured into rows with a head table or in a U-shape for conference type meetings. A large propane BBQ grill may be rented for family reunions or large company picnics. Many weddings are held outdoor at VWMP-EC with the kitchen and living room providing a great base for an informal indoor/outdoor family reception.
