Did you know... Fun Facts:

- Dogs can make 14 vocal sounds, lesser than the cat which can make 100 vocal sounds.
- The population of dogs around the world is approximately 900 million.
- Dogs can smell 100,000 times better than humans.
- They can detect sound frequencies that we humans cannot.
- While dogs have good night vision, they cannot see colors as sharply as humans.
- A dog's nose print is unique, much like our fingerprints.
- Puppies and senior dogs dream more frequently than adult dogs.
- Yawning is contagious... even for dogs!
- Human blood pressure goes down while petting a dog... and so does the dogs!

Park Reminders

If you as a park goer or notice another park goer having an issue with your FOB, remember to reach out and find out why. We've gotten caught up on the back log of vaccinations and membership expirations and are reaching out to each individual with an accurate E-Mail / phone number on file with us as those expirations come about. If the FOB doesn't work, reach out to me at 417-864-1332.

We've had a few incidents reported regarding multiple dogs with a single handler, remember that in the Official Park Rules & Regulations: A maximum of 2 dogs are allowed per handler & all dogs must be registered with the Springfield-Greene County Park Board and wear a Pass Tag.

Always a good reminder to be mindful of picking up after your pet while you enjoy the park!

Spring has Sprung!

The hours of operation for the park are sunrise to sunset.

Thursdays are mowing days as the spring approaches! The park hours will adjust and be closed from 7 am - 8 am to accommodate our mowers!
