ABOUT LEARN TO SKATE

Jordan Valley Ice Park's **Learn to Skate USA** program is designed to meet the needs of both recreational and competitive skaters. Skaters advance through levels in a fun group atmosphere taught by certified US Figure Skating coaches.

Programs run 8 weeks. They include:

- One 30-minute group lesson instruction each week, includes skate rental
- 8 free public skating sessions (roughly 90 min. each), includes skate rental

REGISTER

All programs are \$100/8 weeks, Plus \$16/year US Figure Skating Membership

The US Figure Skating Membership is \$16/year and required to participate in Learn to Skate. Membership year runs July 1-June 30 and may be purchased at the Ice Park, not online.

Register for Learn to Skate online at ParkBoard.org/IcePark or at Jordan Valley Ice Park by the Sunday before the program begins. Registration remains open the first week of class. Walk-ins allowed during the first week. Arrive early to lace up your skates.

LEARN TO SKATE PROGRAMS

Snowplow Sam 1-3: Geared for pre-school aged children, Snowplow Sam classes gives skaters the fundamentals of skating with developmentally appropriate instruction. Pre-school aged skaters move through skills (marching, balance, safety) that help them feel comfortable skating on the ice without a parent. (Ages 2-5 yrs.)

Basic 1-6: Progressive levels introduce fundamental moves including forward and backward skating, stops, edges, crossovers and turns. These levels create a good foundation for skaters to advance to more specialized areas of skating. (Ages 5-12 yrs.)

Adult 1-6: Designed for beginner teen and adult skaters. Improve balance and coordination while promoting physical fitness. Skaters will progress at their own pace and learn proper skating techniques. (Ages 13 yrs. and up.)

ADDITIONAL OFFERINGS FOR SKATERS

Annual Spring Show: Typically held in mid-spring, the annual show gives skaters an opportunity to be a part of a multi-show production that includes solos and group numbers that are assigned by theme. Group number rehearsals start in February and continue through spring show (usually scheduled for early to mid-April).

Festival of Lights Holiday Exhibition: The Festival of Lights Holiday Exhibition (FOLHE) is an exhibition of skaters performing to seasonal music. The FOLHE follows a recital format. Skaters sign-up to be soloists or in small groups and work in private lessons to skate in two exhibitions over one weekend (usually scheduled for early-mid December).

Summer Programs: Summer programming offered for skaters who are interested in additional skating experience in the summer. Skaters attend on and off-ice classes 2 or 4 days/week. (Ages 5+ yrs.)

Which program is right for you? If you are unsure, we can match you with the right program based on your needs and skill level. 417-874-2928
