### **Section VIII. Snacks**

We serve nutritious snacks in the afternoon program as a part of our licensing requirements. As a part of the State Law and due to children's allergies, we ask that you do not pack extra snacks for your child to eat while at SPARC. We encourage all kids to eat what we offer. Please visit [www.health.mo.gov/safety/childcare](http://www.health.mo.gov/safety/childcare) for more information.

### **Section IX. Child's Personal Property**

Children's personal property, coats, clothing, school bags, etc. must be cleared from the child care room after each session of the program. Any personal property, which remains after the session, will be taken to the school's lost and found wall. Although the staff attempt to help the children stay organized, they cannot be responsible for lost personal property. Children should not bring money, toys, food or other items that are not necessary for school activities to the program.

Cell phones and other electronic equipment are not the responsibility of the SPARC staff. These items should be left at home.

## Section X. Discipline and Discharge

1. Discipline problems will be managed on a case-by-case basis.
2. Program Directors will keep parents informed of discipline problems.
3. IN AN EFFORT TO PROVIDE CONSISTENT RULES AND DISCIPLINE IN OUR PROGRAM, THE FOLLOWING PROCEDURES WILL BE FOLLOWED BY ALL SPARC STAFF

### a. Rules:

- a) Have Fun!!
- b) Students are quiet when staff members are speaking.
- c) Students raise their hands during discussion time.
- d) Running is not allowed, unless instructed during an activity.
- e) Hitting, spitting, swearing, or attempting to harm others (playful or not) will not be accepted.
- f) ALL SCHOOL RULES APPLY DURING SPARC.

### b. Discipline Procedure:

- a) Verbal Warning – The child will be informed that they are receiving a verbal warning for the inappropriate behavior
- b) Safe Seat – The child will be asked to remove himself/herself from the activity and sit in a designated area. The idea behind the safe seat is the child will be safe from others disturbing him/her, and the other children will be safe from that child disturbing them.
- c) Visit with the Site Director – The child will be asked to visit with the site director regarding their behavior. At this time the director will write-up the child. Following the discussion, the site director will make the decision to either allow the child to return to the activity or contact the parent to have the child picked-up.
- d) Contact Parent – If the child continues with any inappropriate behavior, the parent will be contacted by the site director and asked to pick-up their child for the day.
- e) Should consistent inappropriate behavior occur, the child may be suspended from the program. Suspensions are subject to change based on behavior.
