## FAQ'S

### What is the mission of SPARC Sports?

Our mission is to provide a fun, positive, affordable and recreational learning experience for everyone with our try, learn, play philosophy.

### Who coaches these teams?

The success of SPARC Sports relies on the generosity of volunteer coaches. We are always looking for parents to volunteer their time and knowledge to help coach a team. For a fun & rewarding experience, please consider applying to coach your child's team. Coach training and useful resources are available!

### How does it work?

- Players register individually.
- SPARC creates teams.
- SPARC hosts a kickoff party where players find out what team they are on and pick up shirts.
- The following week, practices begin. Each team has one 1-hour practice each week. (Practice times & locations are chosen by our volunteer coaches).
- Games are on Saturday's from 8 am-5 pm.
- Every team is guaranteed 5 games.
