

FITNESS CHALLENGE

B.I.N.G.O

What is it?

Fitness challenge bingo is like classic bingo except you cross off fitness challenges instead of bingo numbers. You have the entire month of January to get as many bingos as possible. Each bingo results in an entry for a prize!

How To Play

1. Players can get a bingo card from a fitness monitor or, front desk worker.
2. Players are responsible for keeping track of their card for the month.
3. Players will self-report completion of challenges by crossing them off on their bingo card.
4. For every B.I.N.G.O a player gets they will be entered one time into the prize drawing.
5. If a player completely blocks out their card, they will get 5 additional entries into the prize drawing.
6. Players will turn their card back into a fitness monitor, or the front desk once they are done playing, or at the end of the month.

What Are The Prizes?

Players have the opportunity to win many amazing park board prizes, including:

- Free canoe/kayak/ paddleboard rentals at Lake Springfield Boat House
- Ice skating passes to Jordan Valley Ice Park
- Golf passes to Betty Allison Oscar Blom course
