

## Virtual Turkey Trot 5K Sponsorship Opportunities

*Join in on the Thanksgiving Day tradition VIRTUALLY! Last year, when going virtual we had over 2,000 people participate. And due to the ongoing pandemic, we are encouraging our community to complete the race on their own through the Thanksgiving holiday. Your sponsorship impacts our community in a big way and directly benefits The Springfield-Greene County Park Board Youth Recreation Scholarship Fund and the Developmental Center of the Ozarks. And has been the largest one-day food collection for Ozarks Food Harvest. Please consider being a part of this huge community event.*
